

WELCOME

If you are a guest at Mosaic Church, we want to extend a special welcome to you. Enclosed you will find a communication card. Simply fill it out and place it in the Joy Box in the back or bring it by the information table to receive a special gift.

We have nursery available throughout the service and kids' classes will be dismissed in the middle of the service.

If there is anything that we can do to make your worship experience more meaningful, please don't hesitate to ask.

Things to Ponder

starting This Month, Small Groups
Tuesday January 20, 6:30 PM

Are you willing, or interested in becoming a part of an intentional small group community that will focus on relationships, and growth among other things? This process will be a part of our future and our first "Pilot Group" has the intent of birthing a new group within the next 6 – 9 months. Come experience what church not only can be, but what it was designed to be. Contact Pastor Mike if interested.

Day after day they met together in the temple. They broke bread together in different homes and shared their food happily and freely, Acts 2:46

Lessons from the Soup Bowl

Notes:

Not the typical request here, but what types of things do you love, working with kids, doing multimedia, cooking, greeting others, working on cars, sewing, what? As a church we realize, most churches say you have to fit into what they need, we are here to say, we as a church want to fit into what you love to do, so what do you love to do? How can we as a church use those talents, gifts, desires and so forth? Let Pastor Mike know so we can get you in the place we need.
